THE SENIOR CLASS

Washington High School
New London, Wisconsin

FOREWARD

As Freshmen we were called "green" and we lived up to our name. As Sophomores we had gained a little more confidence. In our Junior year, we considered ourselves quite mature and commanded respect, but as Seniors — well, we thought there was nothing quite like us. Now that we are ready to leave, we, the Senior Class of 1952, of Washington High School, wish to leave a brief resume of our last year. We hope we have succeeded in this our 1952 CLASSMATE.

On September 1, 1932, the city of New London commemorated the opening of the new Washington High School. This beautiful, modern building was made possible through the efforts of many people, but foremost in our thoughts are the members of the Board of Education and Superintendent of Schools at that time. They are the people who spent many hours studying plans, formulating ideas, and tending to details as the building progressed. It is in appreciation of their hard work and forethought that we, twenty years hence, wish to honor them by making this . . .

To Seniors:

An article written by J. C. Penny on "How My Faith Has Helped Me" contains a paragraph which best expresses my sentiments.

"If I could get a message over to the youth of this country, it would be that success in life does not depend on genius. Any person of normal intelligence, who is morally sound, above board in his dealings, and not afraid of work, should succeed in spite of obstacles and handicaps, if he plays the game fairly and squarely and keeps everlastingly at it. The possibilities before one are measured by the determination which is within one."

Sincerely yours,
H. G. Knudtson, Sup't.

So Long

To the melancholy strains of the organ, the Senior class marched slowly out of the auditorium. A few of the girls were weeping softly and several of the boys were trying to hide their efforts to blink back the tears by bending their heads solemnly.

That scene is quite a contrast to a day in September almost four years ago. On that day, we, who are Seniors now, filed into the auditorium laughing with our friends and trying so hard to look older and act experienced. Unfortunately, the fact that we were "Frosh" stood out all over us. Our skirts were too short, our manner was not confident, and our lips were not painted. The hope that high school would be one big social whirl was soon found to be a mistaken idea.

After summer vacation, we came back with boundless enthusiasm. As Sophomores, we began to search for new worlds to conquer, and conquer we did! Athletics, music, forensics, and dramatics fell before our talented forces.

"The Wallflower Cuts In," our Junior one-act play, brings back memories of hard work and much fun. In the spring came more work and fun preparing for the annual Junior prom. We danced to the soft tones of "Harbor Lights" in a world of blue, lit by a lighthouse, guarded by sailors.

"Our Miss Brooks, our mirthful Senior Class play, set the pace for our last year at Washington High. It was carried on in our one-act comedy, "She Married Well."

Now that we have come to the star we've been reaching for, let us look ahead into the future with pleasant memories, serious faces, great ambitions, and unlimited determination, knowing that we are prepared to "Go Forth to Serve."

Turn Back the Hands of Time

After three years of working hard at our studies we find we have but one year of high school left. Besides the work given to us by our teachers, we took part in many extra-curricular activities.

Of course, we can't forget our class rings. We certainly were eager to get them and naturally, we found them to be just as nice as we had anticipated.

Then came the big event in the school life of all Juniors — "The Prom." We chose Du Waine Scheid for our prom king, and he in turn chose Marlene Meating as his queen. Our theme was "Aloha" and the gym was decorated accordingly.

Along with our advisors, we put much work into the prom, but we were fully rewarded by its beauty and success.

Now we are ready to go into our best year of high school, and we certainly hope it will be as nice as our first three have been.

There'll Be Some Changes Made

Not being mere Freshmen this year, we returned to school to be heard as well as seen. We considered ourselves lucky but found this year a hard struggle with algebra, biology, and World History.

We didn't study all the time, however, as we found time to take part in many extra-curricular activities. We have a fine representation on the athletic field as well as in music, dramatics, pep club and forensics. We elected Jan Edminster and Irene Kubisiak to represent us at the Homecoming dance.

Under the leadership of Dave Wege, Larry Perkins, Mark Gorman, and Jane Edminster, our Sophomore year proved an active and busy year. We will return next year to work even harder as we'll be proud to be called Juniors, and we have much to look forward to.

Do I Gotta Go To School, Ma?

This Freshman Class, no exception to the rule, entered high school filled with pride at being here but confused about what to do next.

Our first big task was becoming acquainted with all our new classmates, to say nothing of our many upper classmen. The next big job was electing class officers. They were: President, Marlin Reed; Vice President, Robert Luft; Secretary, Jan Peterson; Treasurer, Joy Girl Scheller.

Yes, we were heard memorizing our "Combinations" and were referred to as sitting on the "shelf" but we were enjoying ourselves too much to utter any objections.

Things improved toward the end of the year, and now we are looking forward to returning as Sophomores ready to do an even better job.

News In A Nutshell

School days were carefree days for some of us, but for members of the School Daze staff there was much worry. Trying to get the right news and enough news brought wrinkles to the brows of the staff members and especially to Orla Sommer, editor, and Miss Miller, the staff advisor.

Yes, our school paper was different this year. No more mimeographing, etc. for the staff. Of course that did not mean no more work. Our proof-readers were kept very busy.

The old saying "School daze coming out?" was heard every week on Thursday instead of every two weeks. We also exchanged our paper with other schools and colleges. Marguerite Allen was elected to keep the school scrapbook up to date.

There Seems No End

Again this year, as in the past three years, the annual staff started work under the direction of Herold Olson. Near the middle of the year Miss Harriett Carlson took over Mr. Olson's job as teacher and advisor.

Forerunners Of The Classes

The Student Council of Washington High School, under the direction of Mr. Christ, is a representation of all the classes and organizations of the school. They meet and decide on the assembly programs to be heard during the school year and they also sponsor a movie during the noon hour once each week during the winter months.

Each year the organization chooses four people to represent New London at the State Convention of Student Governors held at Beloit this year.

The club was under the able leadership of these people: William Ruhsam, President; James Madden, Vice President; Darlene Schimke, Secretary-Treasurer.

Hip Hip Hurray

Under the able leadership of Miss Tipler and Mr. Klinzing, the Dixon Pep Club has again strived to promote school spirit.

They started the school year off by sponsoring the all-school party which was held September 31. It was one of the most successful dances of the school year. The the snake dance and bonfire held the night preceding the homecoming game, and trimmed the goal posts. As they have for many years, they sponsored both "A" and "B" cheerleaders.

This years officers were: President, Gene Weber, Vice President, Duane Sommer, Secretary, Joan De Groff, Treasurer, Darlene Schimke, Student Council Representative, Keith Breyer.

Playmates

The Girls Athletic Association enjoyed a full year of active athletics under the direction of Miss Tipler. Members took part in sports during the year, earning one credit for each sport.

Letters are awarded for every 16 points earned. Activities that the girls may take part in are: soccer, volley ball, basketball, ping-pong, shuffel board, badminton, softball, and archery.

Besides athletic activities, G.A.A. sponsors dances, puts on pep skits, and holds a picnic each spring at Hatten Park for all members.

The officers for 1951 and 1952 were President, Joyce Jacobs, Vice President, Barbara Danke, Secretary - Treasurer, Margaret Ann Christ, and Student Council Representative, Sharon Mc Peak.

Saturday's Heroes

The members of the N Club are all athletes of Washington High who have won at least one letter in their school career. It is a voluntary organization which no one is compelled to join.

Under the leadership of Coach Ed O'Neil, the Club sponsored the annual Homecoming Dance. It will cease to be sponsored by this organization from this past year.

The boys who have gained two or more letters in one sport receive a gold charm for that sport in their Senior year. Another undertaking of the N Club was the heat lamp they donated to the Athletic Department. This lamp is used for healing purposes.

The fine work of this group will be carried on by the new officers, who are elected at the year's last meeting.

Nothing Like Home Cooking

The Future Homemakers of America, under the supervision of Miss Van Ornum and Mrs. Suomi, has again lived up to its motto, "Toward New Horizons." This is one of the most active organizations in school.

To raise money they have again sponsored many bake sales and candy sales throughout the school year.

Parents night was held as in the past years, jointly with the Future Farmers of America, an organization whose goal is similar to that of the F. H. A.

The trip to the County Fair with their many exhibits wound up another successful year with the F. H. A.

Busy Bees

The members of the Future Farmers of America really have had a busy year. Their program of work went something like this. For raising money they sold chocolate milk at noon lunch time, Christmas cards and seeds. They also were divided into team competition in a magazine sale. The losing team paying all expenses for a party.

Each year the seniors are rewarded for their work with a trip of which all expenses are paid by the organization.

We Walk With Music

The Mixed Choir and Glee Club made up the vocal part of the music department. This year for the first time, the Freshman Glee Club was combined together with the upper-class Glee Club. Mixed Choir and Glee Club are both under the direction of Mr. Schulz.

Last spring a scholarship was awarded to a member of the Mixed Choir, to attend the All-State Mixed Choir of the Music Clinic at Madison July 23-August 12. The scholarship was provided by the Music Boosters.

In December, a selected group of the Mixed Choir presented a concert to the New London Woman's Study Club. Six numbers from the Messiah made up the annual Christmas Concert with Donna Budwit singing the soprano recitatives.

Exchange concerts were arranged with Shawano. Their concert was given here in February and New London traveled to Shawano in March.

The Solo-Ensemble Music Festival was held in Clintonville. Many people participated with solos, sextets, madrigals and duets. The Concert Music Festival was held in Shawano in April.

The Mixed Choir sponsored a performance by the Oshkosh State Choir, with successful results.

Keith Stern was the student council representative for the vocal groups.

And The Band Played On

The band has again had a very successful year. At the start of the school year the first project was formations for half-time performances at football games. The favorite turnde out to be the ghost and witch formation presented before Halloween.

The next event was the band tour to Oshkosh where a concert was given in the morning, and to Winneconne, for another concert in the afternoon. Oshkosh came to New London later in the year to exchange the concert.

The Christmas concert proved a great success, and the capacity audience enjoyed the program of Christmas selections, marches and overtures.

This fall a group of band members organized for the purpose of furnishing music for school dances. Through a contest, they chose the name of "Stardusters" and began their work under the student direction of Shirley Schilleman and Joan De Groff.

The money they earned was used to purchase new stands, and provided the members with an evenings entertainment.

After Christmas began the hard work for tournaments. The solo and ensemble tournament was held at Shawano and the concert tournament was held at Clintonville.

Officers of the band were: President, Margaret Ann Christ; Vice President, David Wege; Secretary, Joyce Klingbeil; and Student Council Representative, David Holsen.

Talkative Type

Probably one of the most beneficient and advantageous extra-curricular activities in New London High is the forensic program. Here students learn poise, self-confidence, and good habits.

In the March elimination contest those who emerged successful were: Shirley Schilleman, Dorothy Cuff, Joy Girl Scheller, Mary Hutchison, Patti Netzler, Lorraine Manske, Margaret Ann Christ, Lyle Ernst, Kathleen Hass, Donald Lubitz, Marlene Meating, and Janice Krueger. The coaches this year were Miss Marcella Hoeffs and Mr. Marion Huppler.

Nature Boys

Along with being scientific we of the Biology Club are also successful in money matters. This year we sponsored the pop and candy sales at the basketball games. On December 27 we also sponsored the "Snow Ball" with music by the Templeaires.

The patience and guidance of Mr. Kluever, our advisor, has aided greatly in making this year a successful one.

Lights Out!

A familiar cry, indeed, to all members of the Camera Club, who spent many hours working in the darkroom developing, printing, and enlarging pictures.

The art of taking pictures properly, was topic of great interest. Mr. Brown is the new advisor and the officers are: President, Donald Lubitz, Vice President, Duane Radley; Secretary-Treasurer, Marlene Krueger.

The Projectionists Today Are . . .

Every morning we are reminded of this active club by the familiar announcement "The projectionists for the day are. .

The members of the club under the supervision of Mr. Plantico, run the projector for the educational movies shown in the auditorium.

Each year an "All-School" movie is sponsored by the club. The proceeds are placed in the club treasury to be used for a good cause some day.

The Trail That Follows The Stars

Again this year the Thespians provided dramatic entertainment for the student body. They were coached by Mr. Jones at the beginning of the year, and after he left for the Armed Service, Miss Polzin directed them.

The one-act play contest was sponsored by the group and each play was directed by two members. However, their big project for the year was the three-act play presented in the spring. This year's play was entitled "Strange Boarders". The play ended another happy year "on stage".

ROW THREE: J. Polley, J. Skorczewski, D. Hoerning, L. Ernst, D. Lubitz, J. Swanson, L. Fisher, R. Thern, S. Schilleman.
